

## Noadswood Apps - 2020/2021 Update

#### ePraise

Firstly, our main app we continue to use for parents / carers and students is ePraise: this is our platform for communicating messages to you, booking parents' evenings, completing permission forms, seeing student rewards, monitoring behaviour, where reports are found and lots more. We will also be trialling homework via the platform in the coming months. Your username is the official email you have supplied the school and you sign in via the parents tab (<u>click link</u>). If you've forgotten your password, you can simply leave the field blank for a reset which will go to your email.

2020 is epraise's 10th birthday! 👑					

For new parents and carers, including Year 7, you'll receive an invite link to your email in the first week back, to the email you have supplied the school.

ePraise are also offering three sessions to parents and carers with an introduction to the platform and the messenger + parents' evening booking system. The links to join these are below (viewable via Microsoft Teams):

- o <u>Thursday 10<sup>th</sup> September 4pm 4.45pm (introduction to ePraise)</u>
- <u>Thursday 17<sup>th</sup> September 4pm 4.45pm (a repeat of the introduction to ePraise)</u>
- <u>Thursday 24<sup>th</sup> September 4pm 4.45pm (introduction to messenger and parents' evening booking)</u>

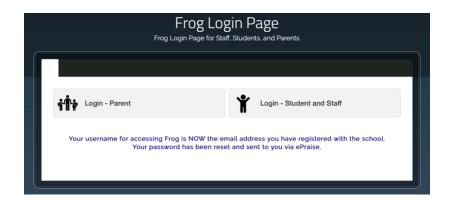

Finally, a few weeks into term we will upload to the documents section of ePraise all of the relevant data we hold for contact / permissions / medical information etc... More details about this will follow, however it will be an opportunity for you to glance through what we have an let us know if any details need to be updated or changed.

## FROG

FROG is our student VLE – it is accessible via <u>http://frog.noadswood.hants.sch.uk</u> with students using their school credentials of username and password to access the site (e.g. 20jbloggs and their school password). Parents and carers can also access the site, using the email address supplied to the school. The VLE has a lot of departmental resources to help students and is also currently where homework is set. Parents and carers can monitor the homework set by logging into this platform. New Year 7 parents / carers will be sent information about login details in the next week or so, and any current parents / carers who are having trouble logging on please just contact your child's Tutor House Leader who will be able to assist.

There is also a MyFROG app in the iOS and Android app store.

### Social Media and Website

We will also be keeping you up-to-date via the school website (<u>www.noadswood.hants.sch.uk</u>) and our twitter (@Noadswood\_Sch), Facebook (Noadswood\_Sch) and Instagram (Noadswood\_Sch)

# Contacts

If there are any issues with the above, please do contact your child's Tutor or House Leader who will be able to assist (all on ePraise as contacts, but if you're struggling with the app initially then email addresses below):

Anderwood@noadswood.hants.sch.uk

Deerleap@noadswood.hants.sch.uk

Knightwood@noadswood.hants.sch.uk

Wilverley@noadswood.hants.sch.uk

\*We aim to respond to messages in a timely fashion – students and parents / carers can ePraise between 7.30am and 6.30pm and we will do our best to reply to these within 24 / 48 hours.
